

**WorkBar** is a shared office designed around the needs of today's mobile and telecommuting professionals. We provide access to spacious works areas, conference and meeting rooms, printing, faxing, and scanning. All located right across from South Station in the heart of downtown Boston.

WorkBar has designed the corporate membership plan because we realize that even companies with established facilities can benefit from a flexible and professional office space. Our corporate membership plan caters to the various spatial needs that companies and mobile workers deal with both regularly and on occasion.

### Benefits include:

- Workspace for telecommuting employees who live in the Boston area
- Convenient and easily accessible offsite location
- Client/internal meeting space with easy access to Logan Airport
- Event space/planning for corporate events and group receptions
- Extension of corporate network into WorkBar's community of start-ups, entrepreneurs, freelance professionals, independent workers and satellite groups
- Participation in WorkBar's regular hosted entrepreneurial and personal development events

**Details:** ..... **\$500/Month**

- 2 Interchangeable community memberships valid Monday-Friday 8:30AM-5:30PM
- 20 Reserved conference room hours per month
- 1 Corporate event per quarter (max 4 hours, evenings & weekends)
- 1 Private storage locker
- Fast and secure Wifi
- Unlimited printing / faxing / scanning
- Coffee / tea / soda / snacks
- Min 6 month commitment

### Convenient downtown location

Located on Atlantic Ave and across from South Station, WorkBar is easily accessible by the commuter rail and the red, green, orange and silver lines. Garage and street parking is also available.

### Meeting and conference rooms

Our meeting rooms are audio/visual capable with additional white boards for brainstorming and group meetings.

### Event space for corporate functions

WorkBar can accommodate various group sizes and event formats. We have the capabilities to host formal and informal events including but not limited to panel presentations, breakout sessions and social events

### Ample workspaces

WorkBar has various styles of workspace available ranging from large worktables to individual desks with additional high top counter options.
